Last updated: January 23, 2018

I authorize Leap Credit LLC (“Leap”) to obtain credit reports from one or more consumer credit reporting agencies in connection with an application for an extension of credit or at any other time in Leap’s sole discretion during the term of my loan. Leap may use the credit reports for any lawful purpose, including but not limited to (i) for authentication purposes, to make sure I am who I say I am; (ii) to make credit decisions; (iii) for internal modeling and analysis purposes; (iv) to obtain and display information and characteristics from my credit report to potential investors; and (v) to market products or services to me. I authorize Leap to verify information in my credit report, and I agree that Leap may contact third parties without further notice to me to verify any such information. You agree to provide additional financial information upon request and for us to obtain any financial information regarding your loan through third party vendors. Upon your request, Lender will inform you whether a credit report was requested and, if so, the name and address of the consumer reporting agency that furnished the credit report.
